

Starting **Tuesday 25th April 2017**
for 10 weeks

**Coming
Soon!**

at **Whitmore Park Primary School**
9.00 – 11.00am

'School Maths Explained'

Does Primary School Maths confuse you?

Does the way your child learns maths may seem very different to when you went to school?

Is it very difficult to know how to help?

Come along to find out about:

- the new ways children are taught maths
- the new maths curriculum
- how to help with maths homework
- fun maths activities to share at home

Experiencing how your children learn is invaluable. We went to Read, Write Inc. lessons and I can now make reading with my children more relevant at home!

Feedback from a parent who attended the Reading sessions.

We will also make lots of very useful maths resources and games for you to use at home.

This course is completely free and, all materials are provided.

For more information, speak to Mrs Squires

* Please note that there are no crèche facilities available for this course and we are unable to accommodate any children.

Please fill in the reply slip below and return to your child's teacher or the school office, if you would like to join this course. **Places are limited and will be allocated on a 'first come, first served basis.'**
