

# WHITMORE PARK PRIMARY SCHOOL

Halford Lane  
Coventry CV6 2HG

Wednesday 22<sup>nd</sup> March 2017

Dear Parents/Carers

## Whitmore Park Primary School Puberty Education – Year 3 and Year 4

During the summer term, children in Year 3 and Year 4 will be taking part in a series of special lessons as part of their overall Personal, Social and Health Education (PSHE). This is part of our duty of care to **safeguard** children and **prepare them for adulthood**. These sessions worked very well last year and children gained a great deal from them.

Children will learn:

- About human lifecycles
- Some basic facts about emotional changes during puberty
- Some basic facts about physical changes during puberty

These lessons will be taught using the **Coventry Council recommended resources**. If you would like to come and see the resources that are going to be used and chat to staff about these lessons, please come to an **information session on Wednesday 29<sup>th</sup> March 2016 at 4:45pm**. The scheme we are teaching is unchanged from last year, so this will be an opportunity to answer any questions you may have or if you would like to be reminded of the content of the lessons. Please complete the reply slip and return to your child's class teacher by **Friday 24<sup>th</sup> March**.

If you do not wish your child to take part in these informative lessons, you must write to Mrs McGibney by Friday 31<sup>st</sup> March 2017.

Thank you for your continued support.

Ruth Roberts

Assistant Head Teacher –Affinity Federation
