Year 6 Supporting Your Child with Maths Meeting

Dear Parents/Carers

To support your child with preparing for their maths SATs, we will be giving all Year 6 children a pack of homework to be completed over the Easter holiday.

We would like to invite you to attend a meeting with your child on **Monday 3rd April 2017 at 2:30pm** in the school hall where we will show you example questions from the homework pack; go through ways to support your child when answering maths questions and give you time to work through some maths questions with your child.

We hope that this will be a valuable opportunity for you to see how we teach the children to use their maths knowledge and develop their reasoning skills when solving maths problems so that you can support your child when they complete their homework.

Please complete the form below to show whether or not you are able to attend the meeting and return it to school by Wednesday 29th March 2017.

Thank you, in advance for your support and we look forward to seeing you on Monday 3rd April.

Yours sincerely,

Rebecca Wherly (Maths Lead)

Year 6 Supporting Your Child with Maths Meeting

Child's name: _____
