Thursday 10th September 2026

Dear Parents and Carers,

We are delighted to share our exciting extra-curricular offer for children this term. We have a fantastic range of clubs and activities available, providing children with opportunities to develop new skills, build confidence, stay active and most importantly, have fun!

SH Active Sports – New for This Year!

We are excited to welcome **SH Active Sports** to our school this year. They launched their new programme with the children during an assembly on today and will be sending information and booking details home for parents/carers to book directly with them.

After-school clubs (parents to book and pay):

- **Laser Tag** – Years 1–3
- **Glow-in-the-Dark Dodgeball** – Years 4–6

Lunchtime clubs (free):

SH Active Sports will also be providing two additional lunchtime clubs. These will **rotate across the different year groups throughout the year at no cost to parents**, giving children the opportunity to experience a range of exciting and varied activities.

SH Active Sports clubs will begin **week commencing 14th September 2026**. Booking link: <https://sh-active-sports.classforkids.io/venue/184/whitmore-park-primary-school>

Dance with Linda (parents to book and pay):

We are also delighted that **Dance with Linda** will be continuing to offer dance opportunities for our children this year.

This is a wonderful opportunity for Linda to continue supporting your child's growth, confidence and love of dance. Children will have the chance to "boogie" to their favourite **Disney, Rock, Pop and Musical Theatre** tracks — and they really will **'Rock!'**

Dance clubs will begin **week commencing 21st September 2026**. Booking link: dancewith_linda@hotmail.com **Quoting reference: WMPT and all of the details below:**

1. Child's Full Name:
2. Child's Class & Year:
3. Your Full Name:
4. Contact Telephone number:
5. Additional information:
6. Medical Requirements:
7. Social Media Photos: Yes or No

Be the best you can be

LE Coaching Academy (parents to book and pay):

We are also pleased to welcome **LE Coaching Academy** back this year, offering their popular **football fun** after-school clubs for children in **Years 1–6**.

These sessions are a great way for children to develop their football skills, teamwork and confidence while having lots of fun.

LE Coaching Academy clubs will begin **week commencing 21st September 2026**. Booking link: <https://lecoaching.simplybook.it/v2/>

Rocksteady Music School

We are also very excited to welcome **Rocksteady** back to school this year!

Rocksteady gives children the fantastic opportunity to **learn music, develop their musical skills and perform as part of a band**. It is a brilliant way for children to build confidence, work as a team and experience the excitement of performing live with their friends.

Bookings for Rocksteady are made **directly through Rocksteady**, who will provide families with further information about how to sign up. Booking link: <https://www.rocksteadymusicschool.com/parents/>

Booking Information

All of the clubs listed above are provided by external companies, and **bookings will be made directly with the individual providers**. The companies will send information and booking details to families and they will also communicate directly with you to confirm whether your child has secured a place.

We are really pleased to be able to offer such a diverse range of activities this year and hope that there is something to inspire every child. These clubs provide a fantastic opportunity for children to try something new, develop their interests and enjoy time with their friends outside of the classroom.

Thank you for your continued support, and we look forward to seeing our children getting involved and having lots of fun this term!

Kind regards,

The School Team

LASER TAG Y1-3 GLOW IN THE DARK DODGEBALL Y4-6 At Whitmore Park Primary School

Mon - Laser
Tues - Glow

FOR TIMES DATES AND PRICES
PLEASE
SEE BOOKING SYSTEM

LASER

A team or individual activity that involves the use of hand-held infrared-emitting targeting device. This means no pain as targeting or shooting is done via Infrared-emitting lasers. The game will improve your child's reactions and spatial awareness, improve tactics and decision making and develop coordination, aim, communication skills and teamwork. In a similar fashion, your child has the wonderful opportunity to learn how to be a team player and work with his friends in order to accomplish a common goal. Be it outside in the woods or inside in the school hall with all the lights off this club is fun from start to finish!

GLOW DODGE

Dodge, duck, dip, dive and dodge, the 5 D's of dodgeball will be taught to your child through many fun and safe games of dodgeball, with a difference, with glow in the dark equipment! There are many variations of the game, but generally the main objective of each team is to eliminate all members of the opposing team by hitting them from the neck down with thrown balls, catching a ball thrown by a member of the opposing team. Your child will mainly be working in different teams to compete in this game therefore improving their teambuilding, interacting with other children and building their self-esteem and self-confidence all whilst enjoying being as active as they possibly can. The main objective of our dodgeball club is all about having as much fun as possible.

To book: Please scan the QR code or follow the link below.

(Open camera on smartphone and scan QR code above)
