School Communication

- **MyChildAtSchool (MCAS):** All parents should be signed up.
- **Stay informed:** All school communication is sent through MCAS. Please enable **push notifications**.
- **Use MCAS for:** Trips, school lunches, clubs, school reports and more.

Uniform expectations

Behaviour & Rewards

- **School values:** We encourage children to be their best and demonstrate our values every day.
- **Positive relationships:** Our relational approach focuses on positive relationships and respectful behaviour.
- **Recognition:** Children earn **Dojo points** and are able to 'spend' them on rewards and prizes throughout the year.
- **Weekly awards:** **Values** and **Effort Certificates** celebrate children who demonstrate our values and give their best.
- **Home recognition:** Exceptional behaviour and effort may be celebrated with a **weekly postcard home**.

Lunchtimes

- In year 5, lunchtime begins at 12:00pm when the children will have their lunch. Children eat their lunch in the dinner hall if they have school dinners and the classrooms if they are packed lunch.
- The children then go outside for play time once they have eaten their food.
- Year 5 lunchtime supervisors are:

5B – Mrs Beauchamp

5D – Mrs Weston

5G – Mrs Eaton

The water cycle

Evaporation

The sun heats the water from seas, rivers, lakes, streams, puddles and ponds. This still happens on cloudy days. The water becomes water vapor. This is called evaporation.

Condensation

As water vapor rises, it cools down and condenses into small water droplets. These droplets gather to form clouds. This is called condensation.
